

WHAT DO ENGLISH GRADUATES DO?

Life after graduation.

A workshop for English undergraduates to be held on Friday 23rd February 2007, in the Theatre Workshop, Shearwood Rd. 1-15 until 4-30 pm

This event which is supported by H.E. Academy English Subject Centre, is open undergraduate students in the School of English. It will provide you with an insight into the destinations of recent English graduates from the University of Sheffield and will include presentations from a panel of speakers working in a wide range of occupations including the media, public sector and education. There will also be the opportunity to participate in group discussions with a couple of the speakers, where you will be able to question them further on the work they are engaged in.

As the number of places for this workshop is limited, if you wish to attend, please reserve a place by registering on the Web CT site. Further information about the programme for the afternoon and the venue etc. will then be sent to you. If you have any queries please contact Dr Cathy Shrank Tel: 0114 222 8455
